

## **ARCHMARATHON AWARDS MIAMI 2020**

*The International Architecture and Design Award, conceived by Publicomm, returns to Miami for its 6th edition, dedicated to studios from Canada, USA, Central and Latin America.*

The **ARCHMARATHON Awards 2020** will take place from *27th to 29th Februry 2020* at the Moore Elastika Building in Miami.

The 6th edition of the Award is dedicated to architectural firms based in *Canada, North, Central, South America and Carribean* and to projects carried out within this geographical area in the three-year period 2017/2019.

The firms selected by the prestigious Main Jury of the ARCHMARATHON Awards will be hosted in the iconic building of the Miami Design District during an exciting three-day event, during which they will present their projects in front of the public and the Jury, thus having the opportunity to compete for the prizes that will be announced during the *Gala Dinner on February 29th*.

The Main Jury is chaired by **Luca Molinari** and composed by **Antonio Asquino, Elena Manfredini** and **Claudio Silvestrin**.

The candidate projects are divided into 13 categories, in turn divided into 2 macro-categories, related to *Architecture* and *Interior Design* projects:
